

District Accountability Meeting Minutes

01/15/2019

Attendance: Sheldon Bennett, Michael Best, Crystal Petersen, Matt Baca, Brandie Larsen, Michelle Eastman, Dennis Jones

Call to Order: 4:32

Acceptance of Agenda: No changes.

Approval of Minutes: No changes.

Google classrooms and powerschool - Powerschool is grade management final viewing grades. Google classroom is more for teachers to track classroom activities. Google Classroom may be beneficial to see upcoming assignments. Downside may be accidentally deleting info. Can teachers add projects into Powerschool so parents can see upcoming projects and when they are due? Will test parent access to Google Classroom.

Chromebooks – Discussion about being able to send chromebooks home. Possibly in the future. We discussed insurance and leasing requirements. Possibly mobile computer sites. Dennis' class will conduct internet survey to see approximately how many families are able to be connected. Can Pete come in and give his ideas.

Babysitting – Dennis will ask his Key Club. Find out about insurance requirements for district.

Board Recall was filed against three members. Will have public meetings concerning that.

School Websites will be redone to be easier to navigate.

Christmas Open House had 52 visitors. Simplicity for this year to get community members into the school activities. Next year will have more planned focus events. Plan for Open House for Valentine's Day.

UIP – Improve Newsletter. District wide now. Anita Braun will post newsletter and help with formatting and template. Monthly deadline 2 weeks before newsletter is published. Will help with conflicting dates and activities.

DAC will move to second Tuesday of every month. So we don't conflict with school board meetings and we don't have to move them.

Adjourned: 5:50

Brandie Larsen

District Accountability Meeting Minutes

02/12/2019

Attendance: Sheldon Bennett, Michael Best, Crystal Petersen, Matt Baca, Brandie Larsen, Michelle Eastman, Dennis Jones, Michael Acana, Kristie Gross, Crystal Huber, Josh Baker, Emily Heida, Erin Lohmeier, Amy Christison

Call to Order: 4:31

Acceptance of Agenda: No changes.

Approval of Minutes: No changes.

Updates:

Chomebooks: would need to have deposits for full replacements \$200 returned at end of year. Buy in program – possibility. Outright buy- could not happen because of lease.

Open house Parties: Feburary - School will be open on Valentine's Day. March – Parents and Pancakes. April and May BBQs

Childcare: Key Club has been out. No updates from them.

Sociology Student surveys: Dennis Jones- 239 polled 93.72% had internet at home. Conclusion is that most students have access to internet at home.

Conclusion – Revisit Chomebooks for next year as far as sending home with students.

From School Board to DAC – Over \$200,000 in Curriculum in the last two years and that doesn't include Chomebooks. Doesn't include Headstart curriculum either from

Presentation Emily and Josh – Recycling program, paper, cans, plastic. Looking for a grant from Newmont for plastic bins. Newmont will take recyclables from students. Will look at lunch trays. Suggested that they talk to steering committee. Jody Rodine will also be a great resource.

UPI – Math seeing great gains in IEP students, and students.

Data discrepancy between state park test, based on 8 point, CMAS 4 point.
Variance on performance level. Maps assessments track individual students.

Minimum 3 times year. Shows growth and achievement.

Maps Students and teachers have reports and were showed how to read, goals, tracking their own data.

Younger kids will use bar graphs

Colorado State standards, Dibels, ect.

6th 7th 9th social studies geography world ancient cultures

Possibly Math in elementary

CMAS dates week after Spring Break. Results in Fall.
