Library Reopening Guidelines

Franklin Ferguson Memorial Library and Victor Public Library will reopen on July 7, 2020 with the following guidelines in place:

Hours:

Franklin Ferguson Memorial Library
Monday – Thursday—9:00 AM – 3:30 PM, Friday—9:00 AM – 3:00 PM

Victor Public Library
Monday – Friday---12 Noon – 4PM

Occupancy: Our facilities are limited to 30% capacity

Checkouts: patrons will be limited to five (5) items per card. DVD checkout remains the same.

Face Masks: Masks for patrons are required. Disposable masks are available for library patrons at the circulation desk.

Computer Use: Due to social distancing and the number of computers available, computer usage is limited to 60-minutes per person per day.

Health: Hand sanitizer is available at the circulation desk for patrons and Clorox sanitizing wipes can be found in the public computer area. Patrons are asked to use them upon entering the library to maintain cleanliness of materials and the library itself.

All materials checked in to the library will be sanitized and returned to circulation following Colorado Department of Health guidelines.

Social Distancing: We encourage patrons to practice social distancing while browsing within the library bookshelves, and waiting in line at the circulation desk; this includes keeping 6 feet apart, not congregating in groups and keeping conversations between staff and patrons brief.

Furniture: The furniture has been arranged to encourage social distancing. Do not move the furniture

Room Closures: Meeting room is closed for group gatherings or use as a study area. Library staff is available to retrieve items from closed areas.

Information is subject to change as situation requires.
